

WALK-IN CENTER

CRISIS SERVICES, HOTLINE
AND RESPITE

WHEN SHOULD YOU SEEK IMMEDIATE HELP?

-  If you're thinking about ending your life or hurting others.
-  You need a break from a stressful situation.
-  Making choices that put you or a loved one in serious danger.
-  Becoming unable to care for yourself.
-  Struggling with addiction or substance use issues.

Available 24/7/365

If you or someone you know is in crisis or in need of immediate assistance our Walk-in Center is available 24/7/365.

The Walk-In Center offers a confidential, safe place to de-escalate from crises and receive early intervention care. Services are available to people of all ages, regardless of ability to pay. Walk-ins are welcome, as are referrals from medical and emergency response personnel.
