

INTERNSHIPS AT DIVERSUS HEALTH 2025–2026

Internships for Mental Health Counseling and Social Work Master's Programs

Diversus Health is currently accepting interns from Master's of Counseling, Master's of Psychology, and Master's of Social Work programs. Most internships are through the Adult Outpatient Network. We are open to both traditional and non-traditional academic calendars, with most students starting in August/September but some joining at other times of year based on capacity. Interns are required to commit to a minimum of 500 (social work) or 600 hours (counseling/psychology) for the internship experience and are expected to be on site 16–20 hours per week over an 8–9 month period.

For more information and to view a complete list of application requirements, please review our [Internship Brochure for Master's Programs](#). Apply today using our [Volunteer/Internship Application](#) form. Program-related questions may be directed to Dr. Lindsay Gries at Lindsay.Gries@diversushealth.org or (719) 572-6281.

Internships for Clinical/Counseling Psychology (PhD/PsyD) Programs

Diversus Health hosts an APA-accredited psychology internship and accepts up to 5 interns each year. Interns must be from a clinical or counseling psychology doctoral program to be eligible for our internship. The program's primary focus is on working with adults with serious and persistent mental illness in an outpatient setting.

For more information on our doctoral psychology internship program, please review our [Internship Brochure for Psychology Programs](#). Program-related questions may be directed to Dr. Lindsay Gries at Lindsay.Gries@diversushealth.org or (719) 572-6281. *Diversus Health is a member of APPIC and abides by the national selection process which begins each fall.
